**To see people transformed by
the power of God's love.**

Ivan and Isabel Allum have been involved in various levels of ministry and church leadership for over 20 years. They were trained and mentored by John & Carol Arnott, who taught them to love God's people and bring healing to their lives. Their passion is to make the Father's heart and His love known to others and to release His Kingdom into their lives.

The Allums have an international prophetic ministry and travel on a regular basis to many places, ministering to people as well as training and equipping them in how to:

- + Hear the voice of God
- + Activate the gift of prophesy from the Father's heart
- + Enter into the levels of the third heaven revelations, dreams and visions
- + Operate in prophetic worship and evangelism

They also help pastors and leaders get vision, direction, and strategy for their ministry, their church, and for the destiny of the people under their care. As a result, many churches have been transformed and are fulfilling their destiny on earth. They also act as apostolic and prophetic advisors to a number of churches and ministries around the world

Their heart is to impart what they have to others and raise them up in ministry. Their prophetic ministry, which is characterized by the Father's love, brings healing, restoration, vision, and direction to the lives of people, churches, and ministries as it reveals the destiny God has planned for them (Jeremiah 29:11).

Through the years they have been involved in several church plants. They co-founded Highlands Christian Ministries, where they pastored for ten years. Currently they are the senior pastors and founders of Forest City Destiny Church in London, Ontario Canada. Both Ivan and Isabel are ordained through Anchor Ministerial Fellowship. Ivan is originally from England and Isabel is from Costa Rica.

Ivan and Isabel are the authors of the book *Your Destiny ... Unlocking the Impossible Promises of God*.

As a pastor I can scarcely recall any visiting ministry affecting a church like the Allum's affected ours. If you are looking for a prophetic ministry that will equip you and your church for the days ahead, this is it.

—PJ Hanley, *Banner of Love Christian Fellowship, Port Ewen, NY USA*

Ivan & Isabel have a unique prophetic ministry. Their sensitivity to the Holy Spirit is precious. Their love for every member of the body of Christ was a privilege to witness, as they came amongst us and modeled the servant ministry of Jesus. Their visit to our church gave us a wonderful revelation of the Father Heart of God.

—Andy & Sharon Britton, *Kingsway Church Manchester, England*
